Long Term Care
Ombudsman 
Program the voice of compassion

Our mission is to educate and empower persons and their families for quality living across the continuum of long-term care.

OMBUDSMAN PROGRAM

Provides advocacy for long-term care residents and their families by acting as a voice in their treatment and care. Ombudsman safeguard resident rights and promote dignity and respect of those who reside in long-term care facilities.

INFORMATION CENTER

Information and referral services provide FREE and objective education and resources to individuals and families in need of long-term care. Consultations on Medicare/Medicaid, living wills, guardianship and numerous elder issues are available.

COMMUNITY OUTREACH & EDUCATION

Training and education is available for families, professional caregivers, community organizations and businesses regarding long-term care and quality of life issues.
